ORDER

June 20, 2006

Saris, U.S.D.J.

The government shall inform the Court how long it will take to find the names and addresses of Medicare beneficiaries on whose behalf Part B drug claims for the drug Zoladex, manufactured by AstraZeneca, have been submitted to Medicare for payment. The trial is scheduled for September 2006. If the information is difficult to mine from the databases, tell me how long it will take to find the names and addresses by increments of time. For example, if older databases are less accessible than more recent databases, please explain the differences in the
